HOLIDAY HOPE

2007
Food for Families

With your help, Health Care Agency Volunteer Services will offer holiday food assistance to needy clients in our clinics for the 23rd year.

How Does It Work?

Employees in Health Care Agency clinics refer their most impoverished clients. Many live at nutritional risk because of their low-income level. The program is designed to provide them with food during the holidays made possible by generous donations from the community and county employees.

You Can Help!

- Volunteer to feed-a-family by donating a grocery gift certificate.
- Make a cash donation to the *Holiday Hope* program for the purchase of grocery gift certificates.

Suggestions!

- Feed a family as a group with your co-workers instead of having your usual office gift exchange.
- Make it a family affair. Teach your children about helping.

Please bring goodwill and happiness to a needy family by completing the reverse side of this form and returning it to:
